ಶ್ರೀ ಜೆ. ಎಚ್. ಪುಟ್ಟಣ್ಣ.—ಅಲ್ಲಿಂದ ವರದಿಗಳನ್ನು ಕಳುಹಿಸಿದ್ದೆರಾ ಇಲ್ಲ ಫೈರ್ ಆಗಿರುತ್ತದೆಯೆಂಬುದು ತಮಗೆ ಜ್ಞಾಪಕವಿದೆಯೇ ?

ಶ್ರೀ ಎಚ್. ರಾಚಯ್ಯ.—ಫೈರ್ ಆಗಿದ್ದರೆ ಕೂಡಲೆ ಆ ಫೈಲನ್ನು ತರಿಸಿ ನೋಡುತ್ತೇವೆ.

*Q.—225. Sri J. B. MALLARADHYA. (Nanjangud).—

Will the Government be pleased to state :—

(*a*) when the State Industries Development Council was set up ; (Number and date of Government Order to be furnished along with its constitution) ;

(*b*) the number of meetings held up to date ;

(*c*) whether the Council was charged with the responsibility of drawing up the Draft Third Five-Year Plan for Industries for Mysore ;

(*d*) which were the meetings at which the Draft Plan for Industries was discussed and finalised ;

(*e*) the financial allocation made for heavy, medium, small scale and rural and cottage industries during the Third Five-Year Plan with reference to which the Council made its recommendations, if any ;

(*f*) the financial target fixed for private sector industries in Mysore for the Third Five-Year Plan ;

(*g*) the specific industries that were included in the Draft Plan under this category ;

(*h*) at what meeting of the Council the proposals were finalised ?

*A.—Sri B. D. JATTI (Chief Minister).—

(*a*) State Industries Development Council was formed in Government Order No. CI 92 SDS 58, dated 10th September 1958.

(*b*) Five.

(*c*) No.

(*d*) In the following meetings the Working Group reports on Industries in Third Plan were discussed :—

(1) Standing Committee Meeting held on 15th June 1959.

(2) State Industries Development Council Meeting held on 8th August 1959.

(3) State Industries Development Council Meeting held on 25th April 1960.

(*e*) The estimate for the Large and Medium Industries, Small Scale, Rural and Cottage Industries during the Third Plan made by the two Working Groups is about Rs. 61·20 crores.

(*f*) No financial target has been fixed for private sector industries in Mysore for the Third Five-Year Plan.

(*g*) The two important projects indicated in the private sector are :—

(1) Fertiliser Project—30 crores.

(2) Aluminium Project—13 crores.

Besides, State participation in the share capital of Private industries has also been proposed. These comprise a Raw Film factory, a Rayon Pulp factory, two Cement factories, two Plywood factories, two Ferro-Manganese factories ; a Paper Factory, a Printer's Ink and Paint production unit, three Cotton Seed Oil factories, two Customs Mills for the beneficiation of Manganese Ore, a Hard Board and Chipboard unit, and factories for the manufacture of activated Fullers' Earth, Hydrated Lime, Calcium Carbide and Nicotine Sulphate and for the utilisation of china clay ; and expansion programmes in the Mysore Paper Mills, Mandya Sugar Factory, Mysore Chemicals and Fertilisers and Radio and Electricals Manufacturing Company.

(*h*) At the meetings held on 8th August 1959 and 25th April 1960.

Sri J. B. MALLARADHYA.—What is the reason for the disparity in answers to (b) and (g) ?

†Sri B. D. JATTI.—There is no question of disparity. At that time we were not sure whether the fertiliser factory would be in the public sector or private sector. We thought it might not come in the public sector. Now the Government feel that it may come in the public sector.

Sri J. B. MALLARADHYA.—Supplementary to (*g*) : What is the magnitude of the investmenst proposed in the Third Five-Year Plan ?

Sri B. D. JATTI.—200 lakhs.

Sri J. B. MALLARADHYA.—What proportion of it you propose to invest in these industrial concerns and is there a set pattern of financial assistance ?

Sri B. D. JATTI.—As the Hon'ble Member knows, upto 10 per cents Government is participating in some of the industries and if we have to invest more we will consider that.

Sri C. K. RAJAIAH SHETTY.—In view of the large amount of Rs. 1,500 crores provided both for the public sector and private sector, is it not a fact that the amount provided for this State is very meagre ?

Sri B. D. JATTI.—I do not think so. We will have sufficient money even for participating in the private sector and for starting our industries and there will be industries entirely under the control of Government of India.

Sri C. K. RAJAIAH SHETTY.—Do yow mean to say that Rs. 200 lakhs is sufficient ?

Sri B. D. JATTI.—When I say that upto 10 per cent we are going to invest, it is sufficient.

Sri C. K. RAJAIAH SHETTY.—Out of Rs. 1,500 crores provided for the plans under the Third Five Year Plan, only Rs. 30 crores are allotted for the States and the rest is for the Centre.

no reply.

Sri K. P. GADAG.—Supplementary to (*g*): As regards the Cotton Seed Oil Factory, may I know whether the Government is aware that there is acute shortage of cotton seed in the State ?

Sri B.D. JATTI.—For the present it may be so.

Sri G. DUGGAPPA.—May I know whether the Government is thinking of mining Sulphur near Chitaldurg ?

Sri B. D. JATTI.—There is sulphure there and that question is being separately considered. It is likely that we may start some industry there.

ಶ್ರೀ ಎಸ್. ನುಬ್ಬಯ್ಯನಾಯಕ್.—(ಜಿ)ಗೆ ಉತ್ತರವಾಗಿ ಈ ಯೋಜನೆಯಲ್ಲಿ ಸೇರಿಸಿರುವ ಕೆಲವು ಕೈಗಾರಿಕೆಗಳನ್ನು ಮಾತ್ರ ಸೂಚಿಸಿದ್ದೀರಿ. ಆದರೆ ಈ ಕೈಗಾರಿಕೆಗಳನ್ನು ಎಲ್ಲೆಲ್ಲಿ ಸ್ಥಾಪಿಸುತ್ತೀರಿ ಎಂಬುದನ್ನು ನಿಶ್ಚಯ ಮಾಡಿದ್ದೀರಾ ?

Sri B. D. JATTI.—These are various small industries which will have to be started in the entire new Mysore State. Wherever raw material is available and wherever enthusiasm is there, Government will have to consider and finally decide the location of factories.

Sri K. P. GADAG.—Has the Industrial Development Council enquired into the question of non-availability of electric power required for the development of industries in Bombay-Karnatak and Hyderabad Karnatak ?

Sri B. D. JATTI.—Yes.

Sri K. P. GADAG.—Has any report of the Development Council been made in the Matter ?

Sri B. D. JATTI.—When it is well known, where is the question of getting a report. In Bombay Karnatak there is no electricity. Unless we supply it either from Munirabad or Sharavathi, it is not possible.

ಶ್ರೀ ಬಿ. ಇ. ರಾಮಯ್ಯ.—ಮಾನ್ಯ ಮುಖ್ಯಮಂತ್ರಿಗಳು ಬಳ್ಳಾರಿಯಲ್ಲಿ ಸ್ಟೀಲ್‌ಪ್ಲಾಂಟ್ ಶುರುಮಾಡುತ್ತೇವೆಂದು ಹೇಳಿದ್ದರು. ಅದು ಈ ಲಿಸ್ಟಿನಲ್ಲಿಲ್ಲ ?

ಶ್ರೀ ಬಿ. ಡಿ. ಜತ್ತಿ.—ಇವರೊಂಗೆ ಎರಡು ಪಾಸಿಬಿಲಿಟೀಸ್ ಒಂದು ಪ್ರೊಪೇಜ್ ಸೆಕ್ಟಾರ ದೊಳಗೆ ಪ್ರಾರಂಭ ಮಾಡಬೇಕೆಂದು ಇದ್ದೇನೆ. ಅವರು ಲೈಸನ್ಸ್ ತೆಗೆದುಕೊಂಡು ಈಗಾಗಲೇ ಪ್ರಾರಂಭ ಮಾಡುತ್ತಿದ್ದಾರೆ. If they are successful, ಸರ್ಕಾರ ಪ್ರಾರಂಭ ಮಾಡುವುದಿಲ್ಲ. if they are not successful, ಸರ್ಕಾರ ಪ್ರಯತ್ನ ಮಾಡುತ್ತೆವೆ.

Sri J. B. MALLARADHYA.—Was it not within the purview of the State Industries Development Council to draw a plan for industries? Did the entire picture of industries for the State for the Third Five-Year Plan placed before the State Industries Development Council?

Sri B. D. JATTI.—The Government of Mysore appointed Working Groups and they had experts and Directors. They prepared a skeleton for the Third Five Year Plan in respect of Industries and that was placed before the Industries Development Council.

Sri J. B. MALLARADHYA.—Are the Government aware that not all the reports of the Working Groups were placed before the Industries Council?

Sri B. D. JATTI.—Afterwards also we placed some more but perhaps the list might not have been exhaustive.

(*b*) whether it is a fact that the Rice Mill owners purchased paddy and stocked the same and are supplying Rice whenever the Government requires in accordance with the agreement stated above ;

(*c*) the quantity of paddy in stock with Mill owners which is not yet hulled ;

(*d*) whether the agreement executed by the Mill owners is still in force ;

(*e*) whether the Rice Mill owners have issued notices to Government and if so, on what lines and to which officers ?

A.—Sri K. F. PATIL (Minister for State Transport, Mining and Food).—

(*a*) Yes. The agreements were executed during the period June 1959 to September 1959. Notification No. 201 (MYS) 262-59-PY II, dated 4th February 1959 refers to the "Rice and Paddy (Mysore) Price Control Order, 1959" fixing the maximum prices at which the several
